PETITIONER'S OPPOSITION TO REGISTRANT'S MOTION TO STRIKE PETITIONER'S NOTICE OF RELIANCE ON DIJKER DECLARATION FILED OCTOBER 16, 2008 (ESTTA NO. 243087 [TTAB PAPER 31])

The Petitioner, NeTrack, Inc. (hereafter referred to as "Petitioner") respectfully requests that the Board DENY the Registrant, Internet FX, Inc's¹ (hereafter referred to as "Registrant") "Motion to Strike Petitioner's Notice of Reliance on Dijker Declaration [Exhibit AA] Filed October 16, 2008 (ESTTA NO. 243087 [TTAB Paper 31])", TTAB Paper 37, (hereafter "Registrant's Motion to Strike"). In the present TTAB Paper, the Petitioner opposes the Registrant's Motion to Strike, and asserts that any doubts regarding the Petitioner's proffered evidence should go to the weight of said evidence, not to its alleged inadmissibility on technical issues. As grounds, the Petitioner states as follows:

The Registrant paints too broad a brush by seeking to strike the entire Dijker Declaration without providing any analysis as to whether the Dijker Declaration contains any controversial parts. In fact, the Dijker Declaration is predominantly comprised of uncontroversial,

¹ The listed Registrant for the mark NETTRAK has changed since the institution of this cancellation proceeding. Two assignments have been recorded to attempt to assign registration in the mark NETTRAK from Internet FX, Inc. to NetTrak Lead Manager Solutions, Ltd., which may be a subsidiary of Internet FX, Inc. For the purposes of this Motion, all references to the Registrant are intended to refer to whoever actually owns U.S. Trademark Registration No. 3,064,820.

foundational statements of facts already reflected in the public record. In total, there are 16 enumerated statements of fact, most of which are merely foundational and uncontroversial. Examples of some of the merely foundational and uncontroversial statements contained therein include, *but are not limited to*:

- 1. I am the Chief Technical Officer (CTO) for NeTrack, Inc.
- 2. NeTrack, Inc. owns and operates websites associated with the domain names, netrack.com and netrack.net.
- 3. NeTrack, Inc's commercial services include, but are not limited to, voice-over IP (VOIP), dial-up access, spam control, web-based email, web hosting, domain registration, and DSL.
- 4. NeTrack, Inc. is the owner of Trademark Registration No. 2,139,229 for the mark NETRACK, which was based on U.S. Trademark Application Serial No. 75/287,548 filed on May 6, 1997.
- 5. U.S. Trademark Application Serial No. 75/287,548 was filed based on actual use of the mark NETRACK.
- 6. Trademark registration No. 2,139,229 for the mark NETRACK claims goods and services in International Class 038, for telecommunications services, namely, providing access to a global computer network by server colocation, and providing computer leased line and frame relay connectivity for electronic transmission and reception of information.

The above examples and others can be objectively viewed as uncontroversial. Moreover, any concerns to a particular statement within the Dijker Declaration can be addressed by simply striking that particular statement, while preserving the balance of the Dijker Declaration.

Any doubts regarding the Dijker Declaration evidence should be directed to weight, and not to hyper-technical admissibility objections. The Petitioner respectfully suggests that the Board's paramount concern should be with ensuring a fair and complete record of evidence on which to base a final ruling in this Cancellation proceeding, rather than procedural technicalities on admissibility. To the extent that the Board might find that any of the Dijker Declaration statements should have been made available for challenge and cross-examination by the Registrant, only those statements, if any, should be stricken. Therefore, even if the Board decides that the Dijker Declaration was improperly submitted for admission, then the Board nevertheless could and should exercise its discretion to strike only the controversial statements contained therein and admit the balance of the statements.

WHEREFORE, for all of the reasons discussed herein, the Petitioner respectfully

requests that the Board DENY the Registrant's "Motion to Strike Petitioner's Notice of Reliance on Dijker Declaration [Exhibit AA] Filed October 16, 2008 (ESTTA NO. 243087 [TTAB Paper 31])", TTAB Paper 37, (hereafter "Registrant's Motion to Strike"), and ADMIT the Dijker Declaration (Exhibit AA) into evidence, while only striking, if the Board deems necessary, portions of the Dijker Declaration that are objectively controversial.

Respectfully submitted,

/s/
